

Emerald Coast Regional Mustang Club
P.O. box 4431
Ft. Walton Beach, FL. 32549

Congratulations on being the proud owner of a Ford Mustang! Let us tell you about our history. It all started with four local Mustang enthusiasts who created the Emerald Coast Mustang Club in 1987 as an informal social group. In 1989 the Club was officially sanctioned as a not-for-profit organization by the State of Florida. As the Club grew in members, it was officially recognized and adopted in 1995 as a regional group by the Mustang Club of America. The newly named Emerald Coast Regional Mustang Club represents all models of Mustang from 1964 1/2 to present. Since 1987, the Club has grown to over 50 members who share a common love for the Mustang, its history, preservation and enjoyment.

Our Club holds an annual car show and participates in local fundraisers and charities. The funds collected are donated to several local charity organizations such as Sharing & Caring (a food bank), Silver Sands School (a special education school), Panhandle Animal Welfare Society (an animal adoption shelter), Pet Welfare (a no-kill animal shelter), and other local charities.

Membership dues are \$25. annually. Your welcome packet will include a window decal, membership card, t-shirt and a stable full of fellow Mustangers ready to meet and welcome you and your family. Your membership card will entitle you to receive discounts at some local companies and you can receive a 10% discount on Mustang parts and accessories at Gary Smith Ford in Ft Walton Bch.

Our monthly meetings are held at 7 pm at the Golden Corral in Mary Esther on the first Thursday of each month. We also offer regular social gatherings and fun runs to area attractions which are great opportunities to come out and have a good time with fellow members. Most of our activities are family-oriented and their participation is highly encouraged. Additionally, many Club members participate and display their cars in local, state, regional and national car shows and often do very well for prizes.

Be sure to check our web and Facebook sites for tips on modifying, learning some general maintenance and detailing tips for maintaining and restoring your Pony. Many of our members possess skills and are willing to offer their time, experience and service.

Now that you know about us, why not join and become one of our growing herd. We cordially invite you and your family to attend one of our functions as a guest to see what we are all about and we hope you will decide to become actively involved.

Sincerely,

Emerald Coast Regional Mustang Club
